

Presents:

**Dr. Samson Ng**

***"Lumps & Bumps in the Mouth: Mastering the Fundamentals"***

Semi-Annual Meeting ~ Friday, May 2, 2025

Comedy @ The Carlson ~ 50 Carlson Rd., Rochester, NY 14610

Registration 7:30 am, Lecture 8 am-3:30 pm

6.5 CE credits

### **Biography**

Dr. Samson Ng is a Canadian and American board-certified oral medicine specialist and oral & maxillofacial pathologist. He is currently appointed as a clinical professor at the University of British Columbia, staff at the Department of Dentistry, and research clinician at the Department of Otolaryngology of the Vancouver General Hospital. Dr. Ng also operates a private practice that provides comprehensive oral medicine and pathology consultations, with a special interest in oral mucosal, temporomandibular joint diseases, and AI topographic imaging & diagnostics.

### **Oral Medicine & Pathology Qualifications**

- Certified specialist in oral medicine and oral pathology. College of Dental Surgeons of BC – FCDS(BC)
- Fellow of the Royal College of Dentists of Canada – FRCD(C)
- Fellow in Dental Surgery of the Royal College of Surgeons of Edinburgh – FDSRSCed
- Diplomate of the American Board of Oral Medicine – Dip. ABOM
- Diplomate of the American Board of Oral and Maxillofacial Pathology – Dip. ABOMP

### **Course Description**

This seminar is designed to review oral lesions and dental therapeutics that oral care providers commonly encounter in community practice. This seminar will reinforce the chair-side techniques for head & neck and intra-oral examinations. Techniques for written and photo documentation of oral lesions will also be discussed. The visual presentation and hands-on demonstrations of adjunctive evaluation tools will make these topics interesting and educational. Topics include common benign oral lesions, the uncommon but need-to-know lesions, and microbial infections other than yeast.

### **Learning Objectives**

- Learn to consolidate the clinical technique of performing an extra-oral and intra-oral soft tissue examination.
- Learn to diagnose and treat non-odontogenic oral lesions commonly identified in a community setting.
- Recognize oral lesions/entities that should be 'red flagged' and discuss the proper initial management.
- Learn to improve your record-keeping for both patient care and the integrity of your work, should it come into question.

Monroe County Dental Society is a component of the 7th District; recognized as a CERP provider through NYSDA. The Seventh District Dental Society is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at [CCEPR.ADA.org](http://CCEPR.ADA.org).
